GENERAL INFORMATION

1. EZ must hang all signs. No other firm will be allowed to bring high-lift or boom equipment on the show floor during installation or dismantle of the show.
2. All hanging signs must conform to Show Management's rules, regulations, and facility limitations.
3. Both the exhibitor and/or the approved exhibitor appointed contractor will be required to sign a statement guaranteeing the stress points for hanging the sign properly engineered. However, EZ reserves the right to refuse to hang a sign if, in their opinion, it appears to be unsafe.
4. EZ will be responsible for pre-assembling all hanging signs. No approved exhibitor appointed contractor will be allowed to assemble any hanging sign. However, they may supervise.
5. All signs must have rigging points, with the exceptions of cloth banners.
6. All signs requiring electrical must be in working order and in accordance with the National Electrical Codes.
7. Set-up instructions must be provided for signs needing assembly.

Order To Hang Signs

Supervision of the hanging of your sign can be accomplished either by your company representative, an approved appointed contractor, or by EZ. Under your supervision, it is the responsibility of your company to have a representative available at the time of assembly and installation. To facilitate installation prior to heavy freight congestion, ship your sign crate(s) well in advance and separate from other exhibit material to our warehouse address indicated on the enclosed Material Handling & Shipping form. Clearly mark the crate HANGING SIGN/OK TO PROCEED without exhibitor supervision. Note: If it is necessary for your supervision, please indicate your expected arrival time at the facility. **Full payment must be received by the deadline date to guarantee lifts and workers. Final invoicing will be done from the actual hours.**
